PRECISION TEMPERATURE INC.
WARRANTY CONDITIONS AND EXCLUSIONS

In no event does said Warranty include electric controls such as relays, capacitors, pressure controls, fan and motor assembly condenser, receiver, etc. This additional warranty does not include Labor or transportation charges in connection with the replacement of compressors, nor charges to remove the compressor from the premises of the purchases-user.

Such warranty further does not include any equipment to which said warranted compressor assembly is connected, such as cooling coils, temperature controls, refrigerant-metering devices, refrigerant, etc. This warranty should be void if said warranted compressor assembly, in our judgment, has been subject to misuse, negligence, accident in transit, tampered with or altered in any way, or which has the serial number altered, effaced, or removed, or installed or operated contrary to any recommendations made by us or the manufacturer.

We shall not be liable for any default or delay in performance hereunder caused by any contingency beyond our control including war, governmental restrictions or restraints, strikes, fire, floods or short or reduced supply of raw materials or finished product.

We shall not be liable for any consequential, incidental or special damages and/or expenses. Some states do not allow the exclusion or limitation of the incidental or consequential damages, so these limitations may not apply to you.

This warranty is in lieu of all other warranties, expressed or implied, and we neither assume nor authorize any other person to assume for us any other obligations or liabilities in connection with the sale of said compressor assembly, or any part of parts thereof.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Note: "Installation date" as referenced herein shall mean the date the compressor was purchased by Precision Temperature, Inc. as stated above on "Purchase Date"

IN THE EVENT OF EQUIPMENT FAILURE, CONTACT PRECISION TEMPERATURE WITH IN 5 DAYS. FAILURE TO CONTACT PRECISION TEMPERATURE, INC MAY RESULT IN VOIDED WARRANTY.
